# Relation ELV and EQS in IPPC-Directive

- Dir. 1996/61 (art. 10): Where an EQS requires... add. measures shall **in particular** be required in the permit without prejudice to other measures
- Pending proposal (art 18): Where an EQS requires ...add. measures shall be included in the permit without prejudice to other measures

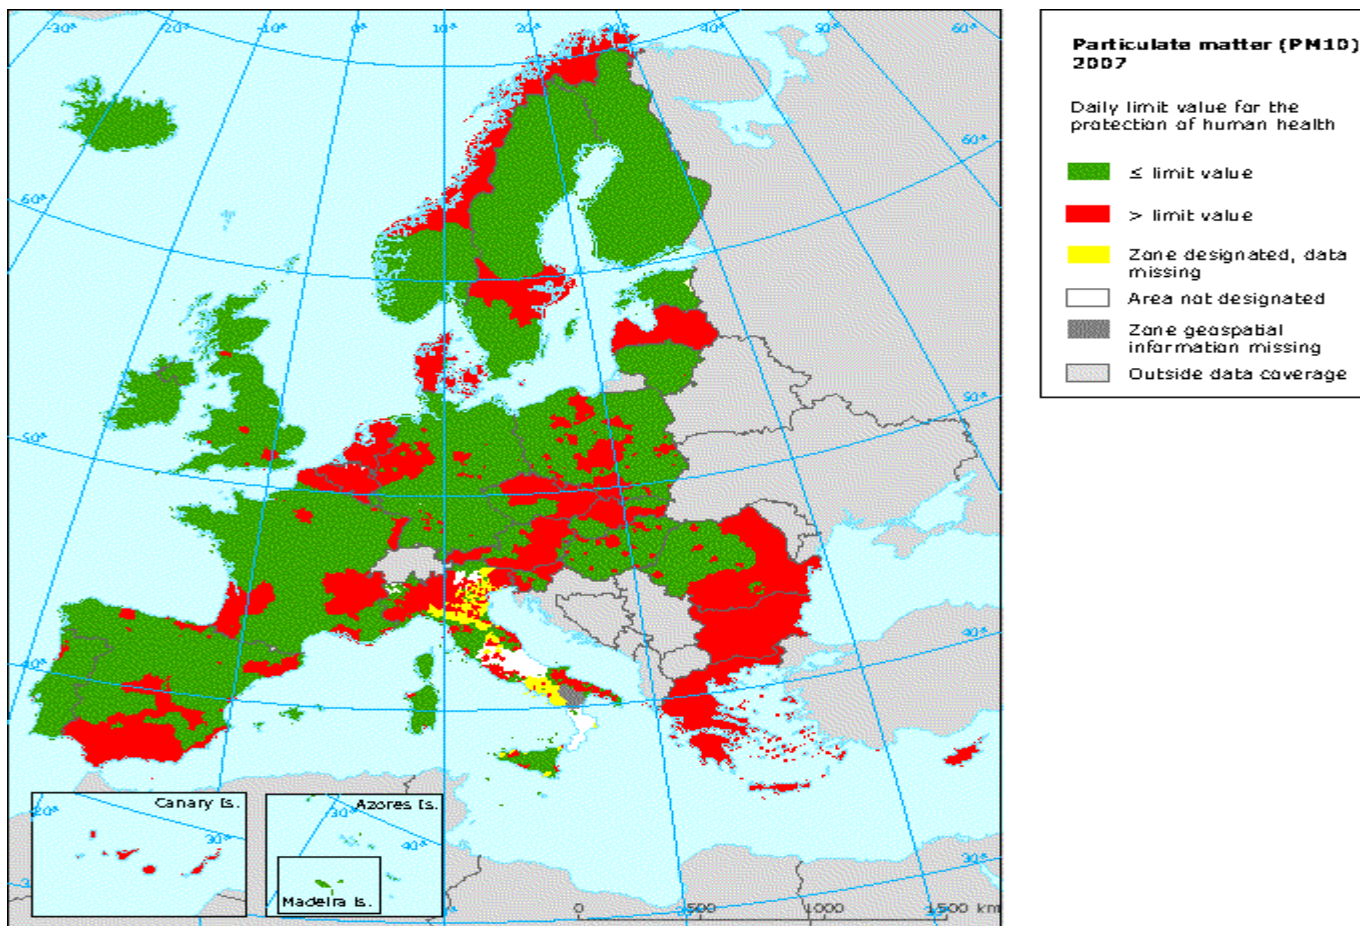

**in practice rarely applied!!**

ELV

EQS

## Improvements ?

- Stronger EU provisions and nat. instruments for revision of permits
- Revision of art. 18 EID-proposal (stronger link between EQS and substantially polluting activities)
- Self executing sanctions
- Compensation for those suffering
