

## **elni FORUM / Invitation**

Making the most of the flexibility that the Corona pandemic demands of us, the Environmental Law Network International ([elni](http://elni.org)) launches a cycle of (online) events in 2020, with the all embracing question

### **“Green Deal – A way forward for EU environmental legislation?”**,

while each event addressing another key aspect of the political agenda.

We are pleased to invite our members to the events as outlined below.

Note that **registration in advance** (at least 2 days ahead of the respective event) is required. For registrations and related requests, please contact [info@elni.org](mailto:info@elni.org).

The capacities of the events are limited, first come first served applies.
